

Because of the Cross

BY

JULIE CLIFFORD

You ask me, "What's the most important thing in my life?" I will tell you. There's not a doubt in me or my mind. Cause I know the place. And I know the hour. Somebody changed my life forever. The answer is the cross of Christ. The moment I realized his sacrifice. That's when I knew that he only died for me and I could finally see, yeah. The reason, the reason for my life, it came from the love of Jesus Christ and I will never be the same again, because of the cross.

And so I ask you, "What's the most important thing in your life?" And what will you tell me? Is there a doubt in you or in your mind? Cause I know the place and I know the hour somebody changed your life forever. The answer is the cross of Christ. The moment you realize his sacrifice. That's when you'll know that he only died for you and you'll finally see. The reason, the reason for your life came from the love of Jesus Christ and you will never be the same again, because of the cross.

C is for my Christ and R is for the reason. O is for the outcome of our sin. S is for the substitute. He died in my place. S is for salvation. You will be saved!

The answer is the cross of Christ. The moment I realized his sacrifice. That's when I knew that he only died for me and I could finally see. The reason, the reason for my life, it came from the love of Jesus Christ and I will never be the same again because of the cross. You will never be the same again because, because of the cross.
